

18/5/08

Dear Eileen,

Please accept these small tokens in appreciation of your beautiful work on our wedding cake.

Our day was a complete success and all who attended have sang out their enjoyment. More to the point they all commented on the beauty and elegance of the cake decoration. It was completely in keeping with the rest of the wedding decor.

Thank you so much for your work and in particular your attention to the details of our colours and motifs.

Regards
Chris & Greg Turner.
