Dear Eileen

We just wanted to let you know that we absolutely loved our wedding cake, and it was exactly as we'd discussed. Thankyou so much for doing such a fantastic job and helping to make one more thing on our wedding day perfect. The white, caramel and chocolate mud cake flavours went down a treat with our guests, and Wally and I loved it. We've kept the top layer with all the beautiful hand made roses as it seemed such a shame to eat it.

We had an absolutely lovely sunny day for our wedding at Croyley House and the garden ceremony was beautiful. The reception was awesome, and the cake looked so lovely sitting in the middle of the room. Lots of our guests commented on how unusual it was ... which was just what we wanted.

Anyway Eileen, again, thankyou so much for doing such a wonderful job with our wedding cake.

Wally and Di

P.S. We've enclosed a few photos
