

# Thankyou

Dear Eileen,

Both Michelle and I  
would like to thank you  
for your efforts making  
our wedding cake.

You took an idea in  
our head and transformed  
it into a work of art.  
All our guests loved your  
cake (both visually and  
taste-wise) and Michelle  
and I were amazed at  
the end product.

Thanks again for  
your efforts, we were  
extremely happy with  
your work.
