

# Thank You

Dear Eileen

Thank you so much for  
being part of our  
Wedding day.

It is the start of our lives  
together and we were very  
glad you were able to help  
make our dreams come true.

We appreciate the wonderful  
wedding cake you made for  
us. It came out exactly as we  
expected "PERFECT"

We would recommend you  
to our family & friends  
in the future.

Regards
